The Trust and its Committees

Role

The Priory Federation of Academies Trust (PFAT) is a not-for-profit company limited by guarantee and as such does not have shareholders. It has Members, whose role it is to ensure the educational objectives, purpose and ethos of the company. The Members nominate Trustees. The Members, at their Annual General Meeting each year, call to account the actions of Trustees.

The Trustees oversee that an appropriate educational focus is maintained. It forms Trust committees and takes into account recommendations made. It takes advice from the Local Governing Bodies (LGBs) of each Academy via the Chairs' Committee. LGBs are comprised of local stakeholders including parents.

The Trustees take a strategic role, hold the executive to account and maintain the Scheme of Delegated Authority (SoDA). Where a function is delegated to an individual or a committee, it holds that individual or committee to account. The Trust is fully accountable for its decisions.

Governance

The governance of the Trust is set out in its Funding Agreement and Articles of Association, which are published on its website.

Members

- The PFAT has three members, including the Priory Fundraising Trust, which is the sponsor of PFAT.
- The Members nominate two Trustees, including one of the Members themselves. The other two Members are not Trustees. The
 Members also nominate a representative from the Chairs of the Local Governing Bodies (LGBs).
- PFT nominates six Trustees.
- The Members' role is to monitor the effectiveness and propriety of the PFAT in holding the Academies to account.

Trustees

There are nine Trustees. Two Trustees are nominated by the Members. Six Trustees are nominated by the Sponsor, having been recruited externally on the basis of a skills audit. The CEO is ex officio.

The composition of the Trust is, therefore, as follows:

Two Member nominees

- 1. A Member
- 2. A representative from the Chairs of the LGBs

Six sponsor nominees

Sponsor nominees are recruited externally and have the following areas of skill, experience and expertise:

- 3. Legal, including Audit
- 4. Finance
- 5. Primary and Secondary education including QA and Inspection

- 6. Higher Education
- 7. Further Education, Skills and Marketing
- 8. Education policy

Ex officio

9. The CEO

Board of Trustees

The names of the Trustees and their contact details are listed on the Trust website. An induction programme is available to all new Trustees and training is provided regularly.

A skills audit is undertaken to ensure that there is sufficient expertise within the Trust.

Co-opted Trustees are appointed to ensure the Trust has the appropriate skills.

All Trustees are mindful of the Trust's corporate responsibility document, which can be found on the Trust's website.

The Chairs' Committee

The committee is comprised of the Chairs of the LGBs, the Trust Executive Team and the Head of HR. It is chaired by one of the Chairs of an LGB. The Chair is nominated by the Members for a period of up to four years. The nominated Chair becomes a Trustee and reports to the Trust Board on behalf of the LGB Chairs' Committee.

The committee meets two or three times a year. The meetings have a set agenda:

- Updates from the Executive team
- Issues raised at LGB meetings, including policy monitoring reports
- The formulation of questions to be raised at the next Trust meeting
- Training requirements for the committee and the LGBs.

Financial Statements

The audited accounts including the Value For Money statement are found on the Trust website.

Trust Board Delegation to the Executive Team

The Trust's Board and its committees seek to ensure that the strategic direction of the Trust is appropriate and that the Trust is well managed. Trustees recognise that that the Executive Team must have the flexibility to respond quickly to ensure that the best educational provision is provided at all times. Decisions regarding appointing staff within Academy budgets and deploying central resources are the responsibility of the Executive and Headteacher teams. The Chief Executive has regular meetings with the Chair. Other Trustees who chair committees have regular meetings with the appropriate senior staff. The Scheme of Delegated Authority (SoDA) is reviewed annually.
