4. Support Staff Appraisal Period and Structure

- 4.1 The support staff appraisals will occur on an annual basis and will commence in Term 3 of each academic year and all appraisals will need to be conducted and completed towards the end of March. The Academy's Administration team will distribute all forms and guidance to the relevant Line Managers to ensure the appraisals are conducted within the outlined timeframes in this section. In the case of central services support staff, the forms will be sent to the Line Managers by the Human Resources department.
- 4.2 Support staff will be informed of their appraisal date 10 days before, and will also be sent their appraisal form which is to be completed and submitted to the Line Manager who will be completing the appraisal five days before.
- 4.3 Support staff who would like to change their appraiser, on professional grounds, are expected to explain their concerns to the Head of Academy. This request must be made in writing and, should there be reasonable and/or justified circumstances, an alternative appraiser may be appointed. If this request is rejected, the appraisee will be advised in writing. Support staff can only request an alternative appraiser once in the appraisal period.
- 4.4 The appraisal meeting will be a face-to-face meeting and be held in private. The Trust is fully committed to ensuring that all those conducting appraisals are provided with the appropriate training required.
- 4.5 There is no required length of time for an appraisal; however, the Trust expects enough time to be given to ensure all objectives are discussed; this would generally be expected to take an hour.

- 5.3 The objectives must contribute to the improvement of the Trust's educational provision and performance. Appraisers will therefore be expected to align individual approaches to meeting objectives with the Trust's priorities.
- 5.4 Objectives may be revised if the role/responsibilities/personal circumstances of the employee changes during the appraisal period. In addition, if an employee is absent for a significant period of time during the appraisal period, due to maternity leave or ill health, the Trust is committed to ensuring that the individual does not suffer any detriment as a result. In these circumstances, the appraisal outcome may be based on the performance outcome from the previous 12 months.
- 5.5 The appraiser and the appraisee should aim to agree the objectives, but if that is not possible, the appraiser will determine the objectives. For the avoidance of doubt, the appraisee may record their comments in writing as an appendix to the appraisal statement.
